#### Responsibilities

The Board of Trustees hereby confirms to the best of their knowledge and belief that, during the period under review, in the execution of their duties, they have complied with the duties imposed by the Pension Funds Act 24 of 1956 (hereafter referred to as Pension Funds Act) and other relevant legislation as well as the rules of the fund, including the following:

- ensured that proper registers, books and records of the operations of the Fund were kept, inclusive of proper minutes of all resolutions passed by the Board of Trustees;
- ensured that proper internal control systems were employed by or on behalf of the Fund;
- ensured that adequate and appropriate information was communicated to the members of the Fund, informing them of their rights, benefits and duties in terms of the rules of the Fund;
- took all reasonable steps to ensure that contributions, where applicable, were paid timeously to the Fund or reported where necessary in accordance with section 13A of the Pension Funds Act in Namibia:
- obtained expert advice on matters where they lacked sufficient expertise;
- ensured that the rules and the operation and administration of the Fund complied with the Pension Funds Act in Namibia and all other applicable laws;
- ensured that fidelity cover was maintained. This cover was deemed adequate and in compliance with the rules of the Fund; and
- ensured that investments of the Fund were implemented and maintained in accordance with the Fund's investment strategy.

#### **Approval of the financial statements**

The financial statements of The Retirement Fund for Local Authorities and Utility Services in Namibia are the responsibility of the Board of Trustees. The Board of Trustees fulfils this responsibility by ensuring the implementation and maintenance of accounting systems and practices adequately supported by internal financial controls. These controls, which are implemented and executed by the Fund and/or its benefit administrators, provide reasonable assurance that:

- the Fund's assets are safeguarded;
- transactions are properly authorised and executed; and
- the financial records are reliable.

The financial statements set out on pages 22 to 27 and the Report of the Board of Trustees have been prepared for regulatory purposes in accordance with:

- the basis of accounting applied to retirement funds in Namibia:
- the rules of the Fund; and
- the provisions of the Pension Funds Act in Namibia.

These financial statements have been reported on by the independent auditor, Ernst & Young Namibia, who were given unrestricted access to all financial records and related data, including minutes of all relevant meetings. The Board of Trustees believes that all representations made to the independent auditor during their audit were valid and appropriate. The report of the independent auditor is presented on pages 20 to 21.

Notwithstanding the above-mentioned information, the Board of Trustees wish to draw attention to the following:

### STATEMENT OF RESPONSIBILITY BY THE PRINCIPAL OFFICER

I confirm that for the period under review The Retirement Fund for Local Authorities and Utility Services in Namibia has, with the exception of the instances of non-compliance noted in the Statement of Responsibilities of the Board of Trustees, timeously submitted all regulatory and other returns, statements, documents and any other information as required in terms of the Pension Funds Act in Namibia.

DJ Amwaandangi Principal/Officer Windhoek

23 June 2023

#### **FOR THE PERIOD ENDED 31 DECEMBER 2022**

### 1. Description of the Fund

#### Type of fund

In terms of Section 1 of the Income Tax Act (Act 24 of 1981), as amended, the Fund is classified as a pension fund. The Fund is a defined contribution fund.

#### **Benefits**

The Fund provides lump sum benefits and pensions at retirement. Lump sum death benefits and annuities are payable in respect of members who die prior to retirement. If a member becomes disabled, disability income benefits are payable until normal retirement. If a member resigns or upon dismissal, his/her member's share is payable (accumulation of contributions plus investment returns).

Strategy of Board of Trustees towards unclaimed benefits: The Fund employs the Principal Employer's branch network to trace beneficiaries. In respect of unclaimed benefits, complete records, as prescribed, are maintained by the Fund. If a beneficiary does not claim a benefit payable to him/her within 5 years of the date of such benefit becoming payable, such benefit will be paid to the Guardian's Fund for the benefit of the beneficiary concerned, where after the Fund will have no further liability towards such beneficiary.

#### **Contributions**

Members' contributions

The members shall contribute at one of the following

#### rates:

- 7.5%, or
- 9%, or
- 10%, or
- 12%, or
- 14%, or
- 16% of the member's monthly pensionable salary. Members who joined prior to 1 September 2008 have, in addition to the above rates, the following options:
- 2.5%, or
- 5% of the member's monthly pensionable salary.

Members who joined on 1 March 1992 (commencement date of the Fund) who were members of a previous fund in which their employer participated, contribute at a rate at which such employees were contributing at that time.

#### Participating employers' contributions

Participating employers shall contribute 21.7% of the member's monthly pensionable salary. At least 14% of the member's monthly pensionable salary is to be applied towards the member's retirement benefit. The remaining 7.7% is to be applied towards the costs of insured benefits as well as administration expenses of the Fund. The balance of the 7.7%, if any, is to be applied towards the member's retirement benefit.

#### **Rules**

The following rule amendments were approved by the Registrar during the financial year:

| Rule amendment no. | Date of Board of<br>Trustees' resolution |            | Date approved by the Registrar | Date registered by<br>Ministry of Finance |
|--------------------|--|------------|--------------------------------|---|
| Rule amendment 8   | 25/06/2021                               | 01/09/2021 | 31/05/2022                     | 14/07/2022                                |
| Rule amendment 9   | 18/11/2022                               | 01/12/2022 | 14/12/2022                     | 27/01/2023                                |

All rule amendments are available for inspection at the Fund's registered office.

Rules (continued)

The purpose of the rule amendments approved by the Registrar dring the financial year are as follows:

#### **Rule amendment 8**

1. To make provision for the Fund to conduct meeting of Trustees by electronic means.

#### Rule amendment 9

- 1. To provide that Pooled Pensioners who become entitled to the payment of a Pension on or after 1 December 2022 are required to notify the Fund of the existence of a Qualifying Spouse as at the date on which such person became a Pensioner.
- To provide for the increase in lump sum payable on the death of a Pooled Pensioner from N\$3,000 to N\$10,000.
- 3. To make provision for the establishment of an Audit and Risk Sub-Committee.

#### **Reserve account**

The reserve account represents the balance of the difference between the market value of net assets less the share and pensioners accounts respectively. Transfers from the reserve account may be made to enhance the benefits of members and pensioners. The reserve account consists of monies that members are not entitled to on leaving service, additional contributions made by the employer which a member is not entitled to on leaving service, other income not specified in the rules to be allocated otherwise and all investment earnings earned by the Fund.

Any amount standing to the credit of the reserve account may be used towards meeting the Fund's expenses, transfers to the members' individual accounts and pensioners account. The level of the reserve and the pensioners account was determined as part of the actuarial valuation as at 31 December 2021.

#### Pensioners' account

The pensioners' account comprises an account of all pensions in the course of payment to pensioners and to dependants of members or pensioners. The account consists of investment earnings, transfers received from the members' individual account and reserve account. and payments to pensioners.

#### 2. Investments

#### **Investment strategy**

The investment strategy of the Fund is set by the Board of Trustees after taking due consideration of the advice of the Fund's investment consultant and other professional advisors. This investment strategy complies with the provisions of Regulation 13 of the Pension Funds Act in Namibia. The investments are managed according to the following principles:

#### **General principles**

The Fund's investments are managed by Old Mutual Life Assurance Company (Namibia) Limited, Allan Gray Namibia (Proprietary) Limited, Namibia Asset Management Limited, Ninety-One Asset Management Namibia (Proprietary) Limited, M&G Investment Managers (Namibia) (Proprietary) Limited, Capricorn Asset Management (Proprietary) Limited, IJG Capital (Proprietary) Limited, EOS Capital (Proprietary) Limited, Cadence Capital (Proprietary) Limited, TwentyTwenty Financial Solutions (Proprietary) Limited, Sanlam Life Namibia Limited, Stanlib Namibia Unit Trust Management Company Limited and Momentum Metropolitan Namibia Limited. The assets are held in managed funds in order to achieve sound investment returns in the long term.

On attaining the age of 55 by either 1 April or 1 October of any year, members' accrued Fund Credit will automatically be transferred to the Capital Protection Option. Should the member however decide to remain invested in the market portfolios, the member has to inform the Fund in writing by completing the CPP Choice Form before either 28 February (for 1 April) or 31 August (for 1 October).

Overall responsibility for investment and performance lies with the Board. The Board and the Investment Committee meet from time to time to conduct the business of the Fund. Full details of investments and the related investment income are set out in notes 2 and 12 to the financial statements.

#### 4. Actuarial valuation

The financial statements summarise the transactions and net assets of the Fund. They do not take account of liabilities to pay pensions and other benefits in the future. In accordance with the rules of the Fund, the actuarial position of the Fund, which does take account of such liabilities, is examined and reported upon by the actuary at intervals not exceeding three years, however the Fund requested that an actuarial review be done on a yearly basis.

A statutory valuation was undertaken for 31 December 2021. At this date the valuator reported that the Fund was in a sound financial position. The next statutory valuation of the Fund will be prepared as at 31 December 2024.

### 5. Housing loan facilities

#### Housing loan guarantees

Housing loan guarantees were granted to members of the fund in terms of rule 13.2 and the provisions of Section 19(5) of the Pension Funds Act in Namibia. Each loan is secured by the withdrawal benefit of the respective member.

Guarantees of N\$ 226 594 476 (2021: N\$ 209 917 580) were provided to members of the Fund at 31 December 2022 for loans granted by First National Bank Namibia Limited. No guarantees were provided to members of the Fund at 31 December 2021 regarding Standard Bank Namibia Limited since no loans have yet been issued to members of the Fund.

### 6. Investments in participating employers

The Fund holds no direct investments in the participating employers.

### 7. Fidelity cover

Fidelity cover was maintained for the full year as required by the Rules of the Fund.

### 8. Commitments in terms of Regulation 13

The Fund has entered into subscription agreements with Allegrow Fund (Proprietary) Limited, Caliber

Capital Fund, Euphrates Fund (Proprietary) Limited, IJG Frontier Investment Fund Limited and SPV 4 - Allan Gray and committed N\$ 154 657 241 (2021: N\$ 165 780 349) to comply with the requirements of regulation 13 to invest in unlisted investments. Investments made through draw-downs in terms of this commitment had a fair value of N\$ 82 056 191 at 31 December 2022 (2021: N\$ 43 986 522).

#### 9. Subsequent events

No matter which is material to the financial affairs of the Fund has occurred between the period ended 31 December 2022 and the date of approval of the financial statements.

### 10. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of the assets and settlement of liabilities, contingent obligations, and commitments will occur in the ordinary course of business.

### 11. Contingent liability

#### **Suspended pensioners**

The Fund sends out a certificate of existence to each pensioner at the start of each financial year to verify if members, that get paid regular pension payments, exist. Members who do not respond to these certificates get suspended if the certificate is not returned by the end of June each year. Children over the age of 18 receiving pensions also get suspended in December each year if they do not provide the Fund with proof that they are enrolled at an educational institution.

As it is not possible to determine with absolute certainty which of these pensioners that are suspended at year end will submit a claim to the Fund for their suspended pension, no liability is raised.

The amount of suspended pensions for pensioners as at 31 December 2022 is N\$ 12 423 037 (2021: N\$ 11 292 206).

### INDEPENDENT AUDITOR'S REPORT TO THE BOARD OF TRUSTEES OF RETIREMENT FUND FOR LOCAL AUTHORITIES AND UTILITY SERVICES IN NAMIBIA

#### **Opinion**

We have audited the annual financial statements of The Retirement Fund for Local Authorities and Utility Services in Namibia ("the Fund) set out on pages 22 to 37, which comprise the statement of net assets and funds as at 31 December 2022 and the statement of changes in net assets and funds for the year then ended, and notes to the annual financial statements, including a summary of significant accounting policies. The annual financial statements are prepared for the purpose of reporting to the Registrar of Pension Funds.

In our opinion, the annual financial statements of The Retirement Fund for Local Authorities and Utility Services in Namibia for the year then ended 31 December 2022 are prepared, in all material respects, in accordance with Regulatory Reporting Requirements for Pension Funds in Namibia.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants International Code of Ethics for Professional Accountants (including International Independence Standards) and other independence requirements applicable to performing audits of annual financial statements in Namibia. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of matter - Financial reporting framework and restrictions on use**

Without modifying our opinion, we draw attention to the principal accounting policies in which the applicable financial reporting framework is identified, as prescribed by the Registrar and disclosed in the notes. Consequently, the annual financial statements and related auditor's report may not be suitable for another purpose.

#### Other matter - Actuarial Reporting

We do not express an opinion on the financial condition of the Fund from an actuarial point of view.

#### Other matter

As mentioned under the Basis of Opinion paragraph, we conducted our audit in accordance with the International Standards on Auditing (ISAs) and issued our report in accordance with these ISAs. We draw attention to the fact that we did not use the audit report template as prescribed by the Registrar in the Pension Funds Regulations: Pension Funds Act 24 of 1956 as this is not in accordance with the ISAs.

#### Other information

The Board of Trustees is responsible for the other information. The other information comprises the following schedules as required by the Pension Funds Act 24 of 1956:

- **Regulatory Information**
- Statement of Responsibility by the Board of Trustees
- Statement of Responsibility by the Principal Officer
- Report of the Board of Trustees

We obtained the other information prior to the date of this auditor's report. Other information does not include the annual financial statements and our auditor's report thereon.

Registered Chartered Accountants and Auditors (Practice No: 9410) Partners: J.J. Coetzee; J.J. du Piessis; F.N. Marx; B.S. Masule; D. Van Wyk A member firm of Ernst & Young Global Limited

Our opinion on the annual financial statements does not cover the other information and we do not and will not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the Board of Trustees for the Annual Financial Statements

The Board of Trustees is responsible for the preparation of the annual financial statements in accordance with the Regulatory Reporting Requirements for Pension Funds in Namibia and for such internal control as the Board of Trustees determines is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error. The Board of Trustees is also responsible for compliance with the requirements of the Rules of the Fund and the Pension Funds Act 24 of 1956.

In preparing the annual financial statements, the Board of Trustees is responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern, and using the going concern basis of accounting unless the Board of Trustees either intends to liquidate the Fund or to cease operations or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Trustees.
- Conclude on the appropriateness of the Board of Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

We communicate with the Board of Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during

#### **Report on Other Legal and Regulatory Requirements**

The Statement of Responsibility by the Board of Trustees describes instances of non-compliance with laws and regulations, including those that determine the reported amounts and disclosures in the annual financial statements that have come to the attention of the Board of Trustees and the corrective action taken by the Board of Trustees. There are no additional instances of non-compliance with the Pension Fund Act that came to our attention during the course of our audit of the annual financial statements.

#### **FOR THE PERIOD ENDED 31 DECEMBER 2022**

#### **Basis of preparation**

The financial statements are prepared for regulatory purposes in accordance with the accounting policies described below and the Pension Funds Act in Namibia.

The financial statements are prepared on the historical cost and going concern basis except for items carried at fair value as set out in the accounting policies below. The financial statements are measured and presented in the Namibia dollar(N\$).

#### **Principal accounting policies**

The following are the principal accounting policies adopted and applied consistently for similar transactions, other events and circumstances for the reporting period, and are consistent in all material respects with those applied in the previous reporting period.

#### **Property Plant and Equipment**

Property, plant, and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the fund and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to changes in net assets and funds during the reporting period in which they are incurred.

Increases in the carrying amounts arising on revaluation of land and buildings are recognised in changes in net assets and funds and accumulated in reserves. Revaluations shall be made at an interval of three years to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

The assets' residual values and useful lives are reviewed. and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Changes in Net Assets and Funds.

Depreciation is provided over the useful life of each asset to write down its carrying value on a systematic basis to its estimated residual value. Property, plant and equipment are depreciated on the straight line basis over their expected useful lives to their estimated residual value. Land is not depreciated as it is deemed to have an indefinite life.

#### The expected useful lives applied are:

| Computer equipment & software | 3 years                   |
|-------------------------------|---------------------------|
| Furniture & fittings          | 7 years                   |
| Office equipment              | 5 Years                   |
| Vehicles                      | 5 Years                   |
| Buildings                     | 25 years                  |
| Land                          | Indefinite<br>useful life |

The depreciation charge for each period is recognized in the Statement of Changes in Net Assets and Funds.

#### **FOR THE PERIOD ENDED 31 DECEMBER 2022**

#### **Investments**

#### **Investments in financial instruments**

A financial instrument is any contract that gives rise to both a financial asset of one entity and a financial liability or equity instrument of another entity. A financial asset or a financial liability is recognised when its contractual arrangements become binding.

#### Investments in financial instruments are classified and measured as follows:

| Investment   | Classification   | Carrying value |
|--|--|----------------|
| Credit balances including cash and deposits                                    | Loans and receivables  | Amortised cost |
| Government Bonds   | At fair value through statement of changes in net assets and funds | Fair value     |
| Statutory body, public enterprise, local authority, and regional council Bonds | At fair value through statement of changes in net assets and funds | Fair value     |
| Debentures   | Loans and receivables  | Amortised cost |
| Corporate Bonds  | Loans and receivables  | Amortised cost |
| Foreign Bonds  | At fair value through statement of changes in net assets and funds | Fair value     |
| Property   | At fair value through statement of changes in net assets and funds | Fair value     |
| Equity   | At fair value through statement of changes in net assets and funds | Fair value     |
| Exchange-Traded Funds  | At fair value through statement of changes in net assets and funds | Fair value     |
| Debt instruments   | At fair value through statement of changes in net assets and funds | Fair value     |
| Non-market-related insurance policies  | At fair value through statement of changes in net assets and funds | Fair value     |
| Market-related insurance policies  | At fair value through statement of changes in net assets and funds | Fair value     |
| Collective investment schemes  | At fair value through statement of changes in net assets and funds | Fair value     |
| Derivative market instruments  | At fair value through statement of changes in net assets and funds | Fair value     |
| Hedge funds  | At fair value through statement of changes in net assets and funds | Fair value     |
| Private equity funds   | At fair value through statement of changes in net assets and funds | Fair value     |
| Unlisted investments   | At fair value through statement of changes in net assets and funds | Fair value     |
| Loans (other than those listed elsewhere)                                      | Loans and receivables  | Amortised cost |

#### **FOR THE PERIOD ENDED 31 DECEMBER 2022**

#### At fair value through statement of changes in net assets and funds

A financial asset at fair value through the Statement of Changes in Net Assets and Funds is initially measured at cost on trade date, which includes transaction costs. Subsequent to initial recognition, these instruments are measured as set out below.

A financial asset at fair value through the Statement of Changes in Net Assets and Funds is measured at fair value, which is the fair value without any deduction for transaction costs that may be incurred on sale or other disposal.

#### Fair value is determined as follows:

Listed investments (including equities, bonds, property and collective investment schemes)

Investments listed on a recognised stock exchange are valued by reference to stock exchange guoted selling prices at the close of business on the reporting date.

#### **Unlisted investments**

Unlisted equity investments are calculated by the Board of Trustees, with reference to the unlisted investment managers' valuations as at the end of the reporting period.

#### **Derivative market instruments**

Derivative market instruments are valued at guoted selling prices at the close of business on the reporting date.

#### **Insurance policies**

Market-related policies are valued at the equivalent to the market value of the underlying assets as certified by the investment insurers concerned.

Non-market-related policies are valued at the equivalent of the guaranteed amount and bonuses as certified by the insurer concerned. Non-vested income is included in the valuation.

#### Subsequent measurement

Any gain or loss arising on remeasurement to the fair value of a financial asset classified as at fair value through the Statement of Changes in Net Assets and Funds is recognised in net investment income in the reporting period of occurrence.

#### **Derecognition**

On derecognition, a financial asset classified as at fair value through the Statement of Changes in Net Assets and Funds, is remeasured to fair value at the date of derecognition.

#### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are recognised when the asset is acquired using trade date accounting.

Loans and receivables are measured at amortised cost.

#### **Amortised cost**

Amortised cost is calculated by using the effective interest rate method as adjusted for any impairment. Transaction costs on acquisition are included in the cost of the asset on initial recognition.

#### **Impairment**

Losses measured on impairment and gains recognised on the reversal of impairments are recognised as an expense or income in the Statement of Changes in Net Assets and Funds in the reporting period of occurrence.

#### **Gains and losses**

A gain or loss on loans and receivables is recognised in the Statement of Changes in Net Assets and Funds when the financial asset is derecognised or impaired, and through the amortisation process.

#### **Asset impairments**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows that are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Nonfinancial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. Impairment losses are initially adjusted against any applicable revaluation reserve and any excess above this is expensed.

#### **FOR THE PERIOD ENDED 31 DECEMBER 2022**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. If the recoverable amount of an individual asset subsequently exceeds the carrying value resulting from the application of its accounting policy, an impairment reversal is recognised to that extent. The impairment reversal is applied in reverse order to the impairment loss.

#### Transfers to and from other funds

Section 14 transfers to or from other funds are recognised on approval being granted by the Registrar. Individual transfers are recognised when the individual member's transfer is received or paid.

#### Reserve accounts and specific fund accounts established in terms of the rules of the fund

Reserve accounts comprise particular amounts of designated income and expenses as set out in the Rules of the Fund and are recognised in the year in which such income and expenses accrue to the Fund. The reserves are kept in terms of the rules of the Fund as set out in the Report of the Board of Trustees.

#### **Benefits**

Benefit expenses are recognised as the benefits occur, through the Statement of Changes in Net Assets and Funds on an accrual basis. A liability is raised for all benefits accruing at the end of the financial year, which has not been paid.

#### Other financial instruments

Financial instruments other than investments and transfers to and from other funds are recognised at amortised cost. Other financial assets are tested for impairment annually and adjusted for any impairment write offs and reversals.

#### **Contributions**

Gross contributions are brought to account on the accrual basis.

#### **Dividend income**

Dividend income is recognised when the right to receive payment is established.

#### **Insurance policy income**

Insurance policy income is recognised when the right to receive payment is established.

#### Interest income

Interest income is recognised and accrued to the investment using the effective interest rate method and recognised in net investment income. Interest received is credited to the investment on receipt.

#### Collective investment schemes income

Income on collective investment schemes is recognised when the right to receive payment is established.

#### **Comparatives**

Where necessary, comparative figures have been reclassified to conform to changes in presentation in the current reporting period.

#### **FOR THE PERIOD ENDED 31 DECEMBER 2022**

### 14. Contingent liability:

#### Suspended pensioners

The Fund sends out a certificate of existence to each pensioner at the start of each financial year to verify if members, that get paid regular pension payments, exist. Members who do not respond to these certificates get suspended if the certificate is not returned by the end of June each year. Children over the age of 18 receiving pensions also get suspended in December each year if they do not provide the Fund with proof that they are enrolled at an educational institution.

As it is not possible to determine with absolute certainty which of these pensioners that are suspended at year end will submit a claim to the Fund for their suspended pension, no liability is raised.

The amount of suspended pensions for pensioners as at 31 December 2022 is N\$ 12 423 037 (2021: N\$ 11 292 206).

### 15. Related party transactions

### AGREED-UPON PROCEDURES REPORT ON SECTION 15 OF THE PENSION FUNDS ACT 24 OF 1956 ("THE ACT) FOR THE YEAR ENDED 31 DECEMBER 2022

To the Board of Trustees and the Registrar of Pension Funds ("the Registrar")

#### **Purpose of this Agreed-Upon Procedures Report**

Our report is provided solely for the purpose of, and may not be suitable for another purpose, assisting the Registrar in evaluating whether or not the Fund complies with the requirements of section 15 of the Pension Funds Act 24 of 1956 ("the Act") and Pension fund regulations as stipulated in Government Gazette 6697.

#### Responsibilities of the Board of Trustees and the Registrar of Pension Funds

The Board of Trustees and the Registrar of Pension Funds have acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

The Board of Trustees is responsible for the subject matter on which the agreed-upon procedures are performed.

#### **Our responsibilities**

We have conducted the agreed-upon procedures engagement in accordance with the International Standard on Related Services (ISRS) 4400 (Revised), Agreed-Upon Procedures Engagements. An Agreed-upon procedures engagement involves us performing the procedures that have been agreed with the Board of Trustees, and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness of the agreed-upon procedures.

The agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported.

#### **Professional Ethics and Quality Control**

We have complied with the ethical requirements in the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA code") and the Independence requirements in part 4A of the IESBA Code.

The firm applies the International Standard on Quality Management 1, Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

#### **Procedures and findings**

We have performed the procedures described in the table below, which were agreed upon with the Board of Trustees in the terms of engagement dated 13 March 2023, on the compliance or otherwise of The Retirement Fund for Local Authorities and Utility Services in Namibia ("the Fund") with the requirements of section 15 of the Act.

#### **Procedures**

a) We obtained a list of all contributions received during the year.

We selected a sample of contributions received during the year, covering 10% of the value of these contributions. We examined the contributions received and noted whether or not the contributions received were deposited with a registered bank in accordance with Section 13A of the Act.

**b)** We obtained a list of all late contributions received during the year including those that were due at the end of the previous year. We selected a sample of late contributions covering 10% of the total value of these contributions and traced them to reports to the Registrar.

#### **Findings**

We report that all contributions were received within the prescribed period, except for the following contributions that were received later that 7 days after the moth:
